

## **Church Policy on CLC Use by Outside Groups**

Non-Profit Organizations are allowed to use the CLC upon approval by the Church Council (for example - Girl Scouts/RACBL/Fight For Sight Foundation). Any free use of the CLC shall be understood as supportive in nature, but not an endorsement by the Church, unless the organization is directly supported through our unified church budget (for example - FISH/Gideons International/American Bible Society). Church policy does not allow informal groups or individuals to use the CLC for fundraising to benefit an individual, whether church member or non- church member.

Approved June 20, 2012, Poplar Springs Baptist Quarterly Business Meeting
